Can't let go  
Chasing pavements  
Cold shoulder  
Crazy for you  
Daydreamer  
Don't you remember  
Fastlove  
First love  
Fool that I am  
He won't go  
Hello  
Hiding my heart  
Hometown glory  
I can't make you love me  
I found a boy  
I miss you  
If it hadn't been for love  
I'll be waiting  
Love in the dark  
Lovesong  
Make you feel my love  
Many shades of black  
Melt my heart to stone  
Million years ago  
My same  
One and only  
Promise this  
Remedy  
Right as rain  
River lea  
Rolling in the deep  
Rumor has it  
Send my love to your new  
lover  
Set fire to the rain  
Skyfall  
Someone like you  
Sweetest devotion  
Take it all  
That's it I quit I'm movin' on  
Tired  
To make you feel my love

Hey bulldog  
Hey Jude  
Hold me tight

I am the walrus  
I call your name  
I don't want to spoil the party  
I feel fine  
I love you  
I me mine  
I need you  
I saw her standing there  
I should have known better  
I wanna be your man  
I want to hold your hand  
I want you (She's so heavy)  
I will  
If I fell  
If I needed someone  
I'll be back  
I'll cry instead  
I'll follow the sun  
I'll get you  
I'm a loser  
I'm down  
I'm happy just to dance with you  
I'm looking through you  
I'm only sleeping  
I'm so tired

If I love again  
If you could see her  
I'm a fool to want you

It couldn't please me more  
It's that ole devil called love

If it ain't love  
I'll come runnin'  
Just for what i am  
Just one time  
Nobody but a fool would love  
you  
Once a day  
Ribbon of darkness  
Run away little tears  
The hurtin's all over  
Then and only then  
Tiny blue transistor radio  
You and me  
You and your sweet love

A chance to be a hero  
A lovely way to spend an  
evening  
A man & a woman  
A man without love  
A place in the sun  
After the loving  
Am i that easy to forget  
Angeles  
Another time, another place  
As time goes by  
Bella Italia  
But beautiful  
By the time i get to Pheonix  
Café  
Call on me  
Can't smile without you  
Can't take mye yes off you  
Can't you see  
Columns of gray  
Deep in my heart  
Dommage dommage (Too  
bad)  
Don't think twice it's alright  
El mondo  
Embraceable you  
Eternally  
Everybody knows we're  
through  
Far away places  
From here to eternity  
Funny familiar forgotten  
feelings  
Harbor lights  
How do i stop loving you  
How i love you  
How slow we go  
I can never let you go  
I don't want to walk without  
you

### **Engelbert Humperdinck (suite)**

I never said goodbye  
I want to wake up with you  
I wish i knew  
I'll be seeing you  
I'll walk alone  
I'm a better man  
I'm gettin' sentimental over  
you  
I'm leaving you  
In the still of the night  
In time  
It's all in the game  
Just say i love her  
Les bicyclettes de Belsize  
L'hymne à l'amour  
Long ago and far away

Still  
Strangers in the night

Take my heart

### **Engelbert Humperdinck (suite)**

Ten guitars  
The last waltz  
The more i see you  
The spanish night is over  
The very thought of you  
The way it used to be  
The wings of a silverbird  
There goes my everything  
There's a kind of hush (All  
over the world)  
They say it's wonderful  
This is my song  
This moment in time  
Till  
Too beautiful to last  
Under the man in the moon  
Up up & away  
Volare  
We are young  
What a wonderful world  
What now my love  
When i say goodnight  
White Christmas  
Winter wonderland  
Winter world of love  
You belong to my heart  
You light up my life  
You'll never know  
You're my world

I can't believe i'm losing you  
I can't believe that you're in

I can't get started

I could have danced all night  
I could write a book  
I get a kick out of you  
I get along without you very  
well  
I got it bad & that ain't good  
I guess i'll have to change my

I had the craziest dream  
I hadn't anyone till you

Ballad of John & Yoko  
Beautiful boy  
Clean up time  
Cold turkey  
Crippled inside  
Darling boy  
Give me some truth  
Give peace a chance

Goodbye  
Happy Xmas  
How do you sleep

Jealous guy  
Just like starting over  
Look at me  
Love  
Mind games

Nobody told me

A love so beautiful  
A time for letting go  
Ain't got nothing if I ain't got love  
Ain't no sunshine  
Back on my feet again  
Butterfly kisses  
Can I touch you there  
Completely  
Dock of the bay  
Drift away  
Georgia on my mind  
Go the distance  
Hold on I'm coming  
How am I supposed to live without you  
How can we be lovers

Back for you

Best song ever

Change my mind

Don't forget where you belong

Drag me down

Everything about you

Fireproof

Gotta be you

Half a heart

Heart attack

If I could fly

Infinity

Kiss you

Live while we're young

Midnight memories

Ready to run

Rock me

Because of you **/DUO**  
Before I met you  
Can't even get the blues no more  
Cathy's clown  
Climb that mountain high

**Reba McEntire (Country) (suite)**  
Consider me gone  
Does he love you **/DUO**  
Don't touch me there  
Every other weekend **/DUO**  
Everything that you want  
Falling out of love  
Fancy  
For herself  
For my broken heart  
Forever love  
Going out like that  
Hace I got a deal for you  
He gets that from me  
He wants to get married  
Heart is a lonely hunter  
Heart won't lie **/DUO**  
Holding  
How blue  
How was I to know  
I don't think love ought to be that way  
I heard her crying  
I keep on loving you  
I know how he feels  
I want a cowboy  
I was country when country wasn't cool  
I won't stand in line  
I wouldn't know  
I'd rather ride around with you  
If I had only known  
If I were a boy  
If I'm not over you  
If you see him, if you see her **/DUO**  
I'll be  
I'm a survivor  
I'm gonna take that mountain  
I'm in love all ove  
I'm not that lonely yet  
Is there life out there  
It's not over  
It's your call

**Reba McEntire (Country) (suite)**  
Just a little love  
Last one to know  
Let the music lift you up  
Lighter shade of blue  
Little girl  
Little rock  
Love needs a holiday  
Love will find it's way to you  
Mind your own business  
My sister  
New fool at an old game  
Night the lights went out in Georgia  
Now you tell me  
Oklahoma swing  
Oklahoma swing **/DUO**  
On my own  
On this day  
One honest heart  
One last good hand  
One promise too late  
Only in my mind  
Pink guitar  
Pins and needles  
Please come to Boston  
Read my mind  
Red roses  
Ring on her finger  
Room to breathe  
Roses  
Rumor has it  
Secret of giving  
She thinks his name was John  
She's callin' it love  
Silly me  
Since I fell for you **/DUO**  
So so long  
Somebody  
Somebody should leave  
Starting over again  
Strange  
Sunday kind of love  
Sweet music man  
Take it back  
Take me back

### **Ronnie McDowell**

All tied up  
Bedroom eyes  
Don't let go  
I dream of women like you  
I got a million of 'em  
In a New York minute  
It's only make believe  
Life's little ups and downs  
Love talks  
Older women  
Personally  
Rock & roll kiss  
She's my Saturday night special  
The king is gone  
Wandering eyes  
Watching girls go by  
When you hurt I hurt  
You made a wanted man out of me  
You're gonna ruin my bad reputation

### **Ronnie Milsap**

A woman in love  
All is fair in love and war  
Am I losing you  
Any day now  
Are you lovin' me like I'm lovin' you  
Back on my mind again  
Button off my shirt  
Country again  
Cowboys and clowns  
Daydreams about night things  
Don't you ever get tired of hurtin' me  
Don't you know how much I love you

### **Ronnie Milsap (suite)**

Happy, happy birthday darling  
He got you  
Houston solution  
How do I turn you on  
I wouldn't have missed it for the world  
I'd be a legend in my time  
I'm a stand by my woman man  
I'm praying for you  
In love  
In no time at all  
Inside  
It was almost like a song  
It's Christmas  
Just in case  
Let's take the long way around the world  
Living on love  
Local girls  
Lost in the fifties tonight  
My heart  
No getting over me  
Nobody likes sad songs  
Old folks  
Only one love in my life  
Play born to lose again  
Please don't tell me how the story ends  
Prisoner of the highway  
Pure love  
She keeps the home fires burning  
Show her  
Since I don't have you  
Smoky mountain rain  
Snap your fingers  
Stand by my woman man  
Still losing you  
Stranger in my house  
Stranger things have happened  
There's no gettin' over me  
Time love and money

goodbye  
Let's make a baby king  
My angel is here  
My strongest weakness  
No one else on earth  
Only love  
Rock bottom  
She is his only need  
Sing  
Somebody to love you  
Tell me why  
Testify to love  
What the world needs now  
When love starts talkin'  
Without your love, I'm going  
nowhere

All hail the power of Jesus  
name  
Amazing Grace  
Amazing Grace – *Maverick's*  
*Choir*  
Are you washed in the blood  
At the cross  
Awesome in this place  
Banner of the cross  
Battle hymn of the Republic  
Beautiful Isle of somewhere  
Bless the Lord  
Blessed assurance  
Blessed be the name  
BNear to the heart of God  
Both sides of the river  
Brethren, we have met to  
worship  
Bringing in the sheaves  
By my side  
Changing the image  
Christ receiveth sinful men  
Christ The Lord is risen today  
Close to thee  
Come thou fount  
Count your blessings  
Day by day  
Does he have to bear the  
cross  
Expect your blessing  
Face to face  
Fairest Lord Jesus  
Farther along  
Felling mighty fine  
Fill my cup Lord  
Flow gently sweet afton  
Footsteps of Jesus  
Getting ready to leave this  
world  
Give me that old time  
religion  
Glory road  
Glory to his name  
Go down Moses  
Go tell it on the mountain  
God is in this place

### **Gospel (suite)**

God is so good  
God on the mountain  
Hallelujah, your love is  
amazing  
Have faith in God  
Have thine own way  
He ain't never done me  
nothin' but good – *Isaacs*  
He has made me glad  
He keeps me singing  
He leadeth me  
He loves me  
He understands my tears –  
*Isaacs*  
Heavenly sunlight  
Here they come  
He's got the whole world in  
his hands  
He's still real  
Higher ground  
His eye is on the sparrow  
His name is wonderful  
His way with thee  
Holy bible book divine  
Holy holy holy  
Honestly – *Isaacs*  
How about your heart  
How firm a foundations  
How great thou art  
How I got over  
I am resolved  
I am thine, O' Lord  
I annot stop praising him  
I can't even walk  
I feel like traveling on  
I love the Lord  
I love to tell the story  
I need thee every hour  
I remember mama  
I saw the light  
I was glad when they said  
I will sing the wondrous story  
If Jesus said it  
I'll fly away  
I'm gonna move – *Isaacs*  
In the garden

### **Gospel (suite)**

In the shelter of his arms  
In the sweet bye and bye  
Is not this the land of Beulah  
It is no secret  
It is well with my soul  
It's my desire  
I've always loved you  
I've found a new way  
I've got a feeling  
Jesus is calling  
Jesus is coming soon  
Jesus is everywhere  
Jesus loves me  
Jesus loves the little children  
Jesus paid it all  
Jesus saves  
Jesus what a beautiful name  
Jesus! The very thought of  
thee  
Joshua fit the battle of  
Jericho  
Just a closer walk with thee  
Just a little talk with Jesus  
Just as I am  
Keep walkin'  
King of eternity  
Lead on o king eternal  
Leaning on the everlasting  
arms  
Learn your lessons well  
Let the lower lights be  
burning  
Let the river flow  
Light of the world  
Lily of the valley  
Little brown church the vale  
Living over in glory  
Love lifted me  
Majesty  
Make me a channel of  
blessing  
More about Jesus  
More precious than silver  
My Jesus I love thee  
Near the cross  
Near to the heart of God

### **Gospel (suite)**

Nearer my God to thee  
Nothing but the blood  
Nothing can compare  
Oh happy day  
Oh promise me  
Oh say but I'm glad  
Old rugged cross  
Old time way  
On Jordan's stormy banks  
On the willows  
One day at a time  
Only believe  
Only trust him  
Onward Christian soldiers  
Pass me not  
Peace in the valley  
Praise him all ye little  
children  
Praise him, praise him  
Precious Lord, take my hand  
Precious memories  
Prepae ye  
Pressed against the thorn  
Redeemed  
Refiner's fire  
Rescue the perishing  
Revive us again  
Rise again  
Rock of ages  
Sailing away  
Sanctuary  
Save the people  
Saved saved  
Savior like a shepherd lead us  
Send the light  
Shall we gather at the river  
Since I have been redeemed  
Softly and tenderly  
Something about that name  
Stand up stand up for Jesus  
Standing on the promises  
Sweet by and by  
Sweet hour of prayer  
Swing low sweet chariot  
Take my hand precious Lord  
Take my lie and let it be

### **Gospel (suite)**

Take the name of Jesus with  
you  
Take time to be holy  
Tell it to Jesus  
Thank God for kids  
Thanks to Calvary  
The banner of the cross  
The bible tells me so  
The haven of rest  
The last mile of the way  
The Lord's prayer  
The old rugged cross  
The other side of Jordan  
The peace of prayer  
The solid rock  
The uncloudy day  
The way that he loves  
There is a name I love to hear  
There is power in the blood  
There shall be showers of  
blessing  
There's a God somewhere  
Till the storm passes by  
Tis so sweet to trust in Jesus  
To the work  
Trust and obey  
Victory in Jesus  
We beseech thee  
We, re marching to Zion  
What a day that will be  
What a friend we have in  
Jesus  
When God dips his love in my  
heart  
When I see Jesus  
When I survey the wondrous  
cross  
When the roll is called up  
yonder  
When they ring those golden  
bells  
When we all get to heaven  
Where he leads me  
Where would I be  
Whispering hope  
Who is on the Lord's side

### **Gospel (suite)**

Why me Lord  
Will Jesus find us watching  
Will the circle be unbroken  
Wings of a dove  
Without him  
Wonderful peace  
Wonderful words of life  
Work for the night is coming  
Ye must be born again  
You are king (Amazing love)  
You are so good to me  
I'D rather have Jesus

the mountain  
When the red red robin  
When the roll is called up  
yonder  
When the saints go marching  
in  
When you wore a tulip  
When you're smiling( The  
whole world smiles with you)  
White cliffs of Dover  
Who wants to be a  
millionaire  
Will the circle be unbroken  
Willow weep for me  
Winter wonderland  
Wish me luck as you wave me  
goodbye  
Won't you come home, Bill  
Bailey  
Wreck of the John B  
Yankee Doodle  
Yankee Doodle boy  
Yes sir that's my baby  
Yes we have no bananas  
You are my sunshine  
You belong to me  
You go to my head  
You made me love you  
You'd be so nice to come  
home to  
You're a grand old flag  
You're breaking my heart  
You're gonna love yourself  
(In the morning)
